from Easter 2016...

Sub Sea Ventures dedicated club 'Ocean Life Scuba Diving & Spearfishing Club' are proud to announce that we are now running regular diving trips to Sète, South of France. Fly to either Montpellier or Nimes and Sète is conveniently located just a short transfer away.

We will be establishing our satellite operation in Sète in Easter 2016, allowing us to run regular monthly trips throughout the year. We will be equipped with a 7m inflatable boat capable of transporting 10 divers to the local dive sites, with our air compressor filling tanks to both 232 and 300 Bars, 24 diving cylinders (10 & 12 Litres), plenty of lead and a good supply of spares. We will also have a wide range of suits, BCD's, Regulators etc. for those who do not have their own equipment.

The area offers an impressive range of dive sites including reefs, wrecks and more with a healthy diversity of marine life and water visibility up to 30m.

Hotel, B&B, private villa accommodation can be arranged but if you want to keep your costs to a minimum then we can arrange camping for you/your group, (we will be taking 2 x 12 person tents c/w sleeping bags).

Flights into Montpellier or Nimes can be as little as £49.00 return! We charge £50.00 for 2 x boat dives per day (this includes air fills, tank and weights)!

Due to the way this is set up all participants will be required to join our diving club which is FREE to join (for the silver membership), this will ensure that you will be diving with us as a club member.

Here is a typical summary of costs for a typical weekend (4 boat dives) trip;
